**SALES SUPPORT ASSISTANT (M/F)**

 Sao Paulo (Brazil)

#### CONTEXT

You work for EURO-DIESEL, a limited company incorporated in 1989, mainly active in the supply of quality electrical solutions and the protection of the critical power supply in critical mission applications. The company designs, installs and commissions systems and offers maintenance and service programs. It's a multinational company and its network spreads throughout the world, thanks to its subsidiaries and distributors.

You will be part of the sales team in the Brazilian subsidiary made up of 5 dynamic and motivated employees working in a friendly atmosphere. Your site is located in São Paulo/Brazil.

#### FONCTION

The day-to-day will be dynamic and requires action in several areas. Get ready to stay 70% of the time inside the office and 30% outside de office. Its activities range from prospecting new business / customers / applications, meeting with clients for technical alignment, developing electrical designs (single line diagram) and installation designs (Electrical, Civil, Ventilation, Sound Attenuation, etc) of rotary No-Break, frequent communication with internal people including the headquarters in Belgium to define the best strategy in each project, meeting and quotation with suppliers, compilation of all project data to format a technical proposal, among other activities. Our team is multi-disciplinary and has to work as a team to make things happen.
